so much of a medical organisation s success rides on the leadership conduct and
performance of its physicians how does a health care organisation engage its
physicians to lead by example and how does a physician in the midst of 25
appointments 30 phone messages hospital rounds and the details of managing a
clinical practice do what needs to be done to foster satisfaction and loyalty among
patients this book eloquently answers these questions beeson has created a brilliant
guide to implementing physician leadership and behaviour that will create a high
performance workplace built on collaboration commitment purpose and making a
difference in the lives of the patients it serves
